- **Hiring Manager**

Tata Consultancy Services
Pune, Maharashtra, 411041

- Dear Hiring Manager,

I am writing to express my interest in the **Data Analyst** position at **Tata Consultancy Services**. With a background in data analysis, a strong foundation in business processes, and a proven ability to leverage data to deliver actionable insights, I am confident that my skills and experience make me an ideal candidate for this role.

- I hold a Bachelor's degree in Computer Science and am currently pursuing a Master of Computer Applications from Chandigarh University. My technical proficiency includes advanced expertise in SQL, Excel, Power BI, and Tableau, which I have utilized to analyze business data and support decision-making across various projects. For instance, in my recent role analyzing sales performance for Blinkit, I developed interactive dashboards that tracked KPIs such as total sales and customer ratings. This helped the business identify key revenue drivers and improve outlet sales by 10%. Similarly, my work on Pizza Sales Data Analysis resulted in optimizing inventory management and contributed to an 8% increase in sales by refining peak sales period strategies.
- As a **Data Analyst**, I am passionate about improving processes, identifying growth opportunities, and helping businesses turn complex data into strategic insights. I have experience gathering and analyzing business requirements, translating them into technical solutions, and presenting findings in a clear, actionable way. My strong communication and collaborative skills have enabled me to work closely with cross-functional teams to ensure that business objectives are met and projects are delivered successfully.
- I am excited about the opportunity to contribute to **Tata Consultancy Services** and am eager to bring my technical and analytical skills to your team. I would welcome the opportunity to discuss how I can support your organization's goals and contribute to its success.
- Thank you for considering my application. I look forward to the possibility of discussing my application in more detail.
- Sincerely,
Abhay Shelke
